-Continuation of Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments:

On Thursday January 31, 2008 the computer readable medium claims with regard to the specification's failure to clearly refer to computer readable medium was discussed. The Examiner pointed to page 10 lines 7-10 of the specification which due to the words medium and media confuse the scope of the computer readable medium claims. The examiner proposed deleting "on a medium such as paper, film, or similar types of media".

On Friday February 1, 2008 Andrew Cameron authorized an Examiner's Amendment to the specification at page 10 lines 7-10 deleting "on a medium such as paper, film, or similar types of media".
